

Local Father
Iain's
Brave Fight
against Brain Cancer

Leah and Iain are in their early 30's and are the parents to two wonderful boys Kade and Bhodie. This family is held in high regard by everyone. Iain has brain cancer. He's been fighting it bravely over the last two years.

In early March Iain had an appointment with Charlie Teo as they've found another tumour in his brain. They need to act very aggressively as when a stage 3 tumour returns, it normally turns into a stage 4 tumour. Charlie Teo is going to operate, the cost of this surgery will be in excess of \$40,000.00.

The family are trying to raise as much money as possible to help fund this as it isn't possible for them to afford this life saving surgery.

Every little bit of support helps.

You can donate at collection points throughout the Club.

The Club is always inviting local individuals and groups to apply for support.
